*Invitation*

Dear Colleagues,

You are cordially invited to participate in the 7th Asian Protective Clothing Conference (APCC) to be held at the Textile Center in Seoul, Korea on May 28<sup>th</sup>, 2018.

Recently, many countries in Asia have been paying more attention to the safety of workers in the industrial field and ordinary citizens, and as regulations for safety have been strengthened, demands and markets for protective clothing are getting bigger.

The aim of the 7th APCC is to provide an opportunity for those involved in protective clothing area in Asia to exchange informations and discuss on protective clothing among researchers in the academia as well as those in the industry in Asia.

I sincerely hope that you will join us in making APCC a success. I look forward to welcoming you to Seoul and to APCC 2018.

Sincerely,

Kee Jong Yoon  
Conference Chair
